

Utah State Tax Commission Brine Shrimp Royalty Report of Arm's-Length Sales	TC-23A Rev. 9/98
Royalty Period	
Report due on or before	
Account Number	

This form must be filed with the Utah State Tax Commission prior to **January 31** of each year, and must contain information for all arm's-length transactions that have occurred through that point for the current harvest season.

1. **Gross weight.** Enter the gross weight of brine shrimp eggs that were sold to date for the current harvest season in arm's-length transactions. Gross weight means the raw, wet harvested weight of the unprocessed brine shrimp eggs, including any biomass and refuse harvested with the brine shrimp eggs.

1.		lbs.
----	--	------

X .60

2. **Net weight.** Multiply the gross weight harvested in line 1 by .60 and enter the amount here. This is the net weight (in pounds) of unprocessed brine shrimp eggs sold to date for the current harvest season in **arm's-length** transactions. Arm's-length transactions are arrived at in the marketplace between independent, nonaffiliated persons with opposing economic interests.

2.		lbs.
----	--	------

3. **Total proceeds.** Enter the total proceeds contracted for from purchasers, including bonuses, premiums, and subsidies, in connection with the arm's-length sales that have occurred to date for the current harvest season.

3.		00
----	--	----

4. Any proceeds received since the last reporting period for unprocessed brine shrimp eggs harvested in prior harvest seasons.

4.		00
----	--	----

5. If there were no arm's-length sales during the current harvest season, check this box, and return this form to the Utah State Tax Commission.

<input type="checkbox"/>	I've had no arm's-length transactions to date for the current harvest season.
